Van Buren County is not responsible for any accident which may occur while engaging in the trash pickup process, whether traffic related or otherwise. Keep a watchful eye for snakes, nails, and other dangers which may be presented.

Please call the County Road Department and let them know when to expect trash to be ready. The number is 745-2443.

The following shall not be collected:

- Dead animals
- Chemicals of any kind
- Liquids or Paints of any kind
- Burned trash remains

You are welcome to collect as often as you wish.

A sign will be erected for your road. You may use your own name, the name of an organization, or even in memory of a loved one.

You may use county provided trash bags or you are welcome to use your own. Please leave them near the shoulder of the road where easily visible. Items too large for a trash bag shall be placed beneath a full trash bag.
