Not Accepting the following bid for

IN THE VAN BUREN COUNTY COURT

ORDER

Now, on this 23rd day of January, 2023, comes before the Court, the matter of accepting the following bid for commodity purchases of CULVERTS for the Van Buren County Road Department.

Closed bids were taken after being published in the paper for two consecutive weeks. Bids were opened on January 20, 2023 at noon in the Quorum Court Room at the Van Buren County Annex located at 1414 Hwy. 65 South, Clinton, AR.

Three bids were submitted.

BLK Quarries, of Quitman, Cleburne County, submitted a bid which failed to yield the best price. The bid also failed to list all culverts, both plastic and metal, with a firm bid price.

River Valley Winwater Company, of Conway, Faulkner County, submitted a bid which was the lowest price by a slight amount. The sealed bid did not contain all culvert sizes and types, which was presented later that day via email communication.

Bonds Septic and Portable Toilets, LLC, of Clinton, Van Buren County, submitted a comprehensive and firm price listing with prices slightly above River Valley Winwater Company.

Due to the fact that the sealed bids yielded one company with a comprehensive price listing, and the fact that Arkansas Code Annotated 14-22-111 (c) states:

"All bidders shall be given equal consideration under the provisions of this chapter, except that when the bid represents items manufactured or grown in the county or offered for sale by business establishments having their principal place of business in the county with the quality being equal to articles offered by competitors outside the county, then the bidder shall be allowed a differential of not to exceed three percent (3%) of the purchase price in determining the low bid."

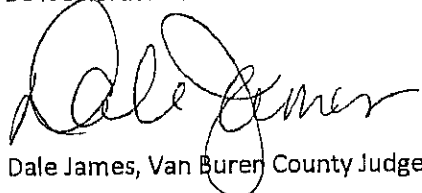

And that Arkansas Coded Annotated 14-22-108 (b) states,

"The awarding of contracts need not be upon the day of the opening of the bids but may be at a later date to be determined by the purchasing official,"

IT IS THEREFORE CONSIDERED, ORDERED, AND ADJUDGED that the bid presented by Bonds Septic and Portable Toilets, LLC, be accepted as the winning bid.

Date, January 23, 2023

Be it so ordered.
