 D.C.

Dear Mr. James:

Thank you for allowing Explosive Contractors, Inc. (ECI) the opportunity to quote drilling and blasting services for the needs of VanBuren County at the Formosa, Arkansas quarry.

The following drill and blast service pricing shown is complete. It includes seismic monitoring with one seismograph set up and monitored by an ECI employee.

<i>Pattern</i>	<i>3 1/2" Hole</i>
7' x 8'	\$1.80
8' x 8'	\$1.58
7' x 9'	\$1.61
7' x 10'	\$1.44
8' x 9'	\$1.40
8' x 10'	\$1.26
9' x 9'	\$1.25
8' x 11'	\$1.15
9' x 10'	\$1.13
9' x 11'	\$1.02

ECI is an independent distributor for Orica, USA and has been utilizing Orica manufactured blasting agent emulsions and explosive products for over 25 years. As an independent distributor, we have access to some of the most experienced and well-versed technical representatives and explosive formulation scientists in the commercial explosives marketplace.

We embrace the philosophy that maintaining customers like yourselves is essential in safeguarding our future in this industry; therefore, we are serious about our business relationships and pledge to provide your operation the highest standards in blast-based services, product quality and technical support found in the commercial explosives industry.

Should you have any questions or require additional information, please feel free to contact me at (417) 294-2400. We look forward to your favorable consideration of our services.

Sincerely,

Todd Braden
Operations Director
